- **Only one person needs to score** for the entire group.
- If you are the scorer, tap your game and select your registered playing partners.

- Groups of 2, 3, or 4 (need at least 3 players to qualify for skins).

Step 5 Check Results & Payouts

- When the game is finished and verified, tap **"Results"** at the bottom bar.
- See hole-by-hole Gross & Net skins won, winning hole scores, and cash payouts.
- Check the Closest to the Pin (KP) winners and measured distances.

Step 4 Game-Day Scoring & Closest to the Pin (KP)

- On Saturday morning, open **marinaskins.com** and tap **"Play"** (the green circle at the bottom).
- **Senior-friendly scoring:** Large, high-contrast buttons one hole at a time. Tap your score and it auto-saves instantly.
- **Handicap strokes:** Stroke holes display a clear "+1 stroke" badge and dot next to the player's name.
- **KP Holes (Par 3s — Holes 2, 6, 12, 18):** If your ball is on the green, enter your measured distance in **meters**. The top 2 closest shots on each par 3 win cash!
- **Finishing up:** After hole 18, double-check your group totals and tap **"Turn In Scorecard"**.
